A MESSAGE FROM PRESIDENT DONNA :

Hilsener,

It's hard to believe that is already May. It's nice to see the sun and warmer weather. We had a busy Spring with the Scandinavian Festival and 90th Anniversary Dinner. Thank you to everyone that volunteered for the Scandinavian Festival. It takes a lot of people to put on such a large event and it looks like this year's was a huge success with a record number of attendees.

Sons of Norway was well represented. The Viking Ship restored by **Norm Hales** and **Chris Wilson** looked great and was much in demand for pictures. Our Sons of Norway table was very impressive thanks to **Tove Lise Miller** and **Adrienne Lincoln**. Many ladies of the Lodge provided delicious Norwegian cookies for the bake table and **Arlene Kozub**, **Betty Williamson** and **Jeanne Lemkuil** helped sell all the goodies. **Carol Francis**, **Tove Lise Miller**, **Linda Anderson**, **Larena Hannon** and **Pat Harriman** made meat logs for almost 400 Vikings on a Stick and **David Bailey** and **Mike Jones** battered and cooked them.

Carol Francis did a great job as MC and **Wyatt Mattes** represented Sons of Norway in the flag presentations. The **Hales family** handled the beverages. The **Hannons**, **Steve Rosenthal** and **Susan Lemmon** all helped where needed. I apologize if I forgot anyone. I really appreciate all of you who stepped up and represented Sons of Norway. You all made Roald Amundsen Lodge look good.

The Scandinavian Festival was closely followed by our 90th Anniversary Dinner. Thanks to **David Bailey** and **Carol Francis** for chairing this wonderful event. Almost 90 people enjoyed a delicious meal and a fun afternoon. **Lars Gjerde** provided music for us and it's nice to have such a gifted musician in our lodge. Several members from the District 6 Board joined us as did **Linda Pederson** from International. They

Scandinavian Festival Enjoyed by Many

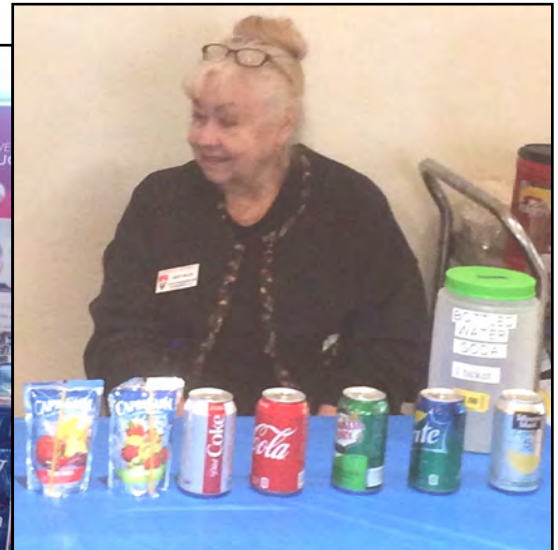

Over 1,200 attended the Festival on March 30th 2019, at the Scottish Rite Masonic Center in Sacramento, and our Roald Amundsen Lodge was a major participant.

There were wonderful Nordic foods to eat, baked goods to buy, demonstrations and dancers to watch and join. Information tables, crafts and exhibits had something to interest everyone.

Thanks to those who went above and beyond to make thing happen: **Carol Francis** for being MC for the day; **David Bailey & Mike Jones** for cooking 350 Vikings-on-a-stick! **Norm Hales** painted the Viking Ship & **Chris Wilson** designed & painted the ship shields. The ship & Viking camp were the background of many pictures that day!

Made Vikings-on-a-stick: **Linda Anderson, Tove-Lise Miller, Carol Francis, Pat Harriman, LaRena Hannon, Judy Hales and Donna Gordon.**

Festival Volunteers: **Norm & Judy Hales, Sons – Ryan & Jake O'Brien, Susan Lemmon, Tove-Lise Miller, Arlene Kozub, Betty Williamson, Jeanne Lemkuil, Steve Rosenthal, Mike Gordon, Sharon Brooks, Dave Sliper, David Bailey, Mike Jones, Carol Francis, Adrienne Lincoln and Joe & LaRena Hannon.—**

PRESIDENT'S MESSAGE (Continued from page 1)

all commented on the great success Roald Amundson achieved with membership by reaching 130% of our goal last year. **Steve Rosenthal** presented membership pins and **Tove-Lise Miller** recognized several members with gifts of appreciation. It was wonderful to see old friends and new members coming together for such a special event. Again thanks to Carol and David and everyone that helped make this a wonderful day.

We have some fun events planned for the next few months. Our regular May meeting will follow a pea soup supper prepared by **Tove Lise Miller** to celebrate Syttende Mai. **Please RSVP to Tove-Lise.** More information is on the flyer in this Navigator, and also on our website.

There are no regular meetings in June, July or August but we will have our annual family barbeque at the Rosenthal's on July 21st. Hope to see you all at these events.

We have a special lodge and it will continue with the support of our members.—*Donna*

OUR LODGE'S VIKING SHIP HISTORY

Our Viking Ship was “constructed” by modifying an old boat that members of the lodge found in West Sacramento circa 1987/88. The “construction crew” consisted of Gordon Malme, Gordon Dukleth, Oystein Solheim, Ray Miller, John Johnson, Erwin Bjerke and Carol Lee Solheim. The crew used bender board to extend the “ship” fore and aft to simulate a Viking ship shape. Reportedly it originally had a different head that looked more like a deer. The newer, traditional dragon head was made by Paul Stahl. The lodge received some funds from the International Lodge to cover the cost of the head. (Editor’s note: Do you suppose International thought they were paying for a real ship’s “head?”)

The traditional square sail was made by Dawn Bayer. The ship has been modified several times and the shields have been repainted several times by lodge ladies. Holes were drilled in the bottom of the vessel to allow for rain water to drain.

Our Viking ship has “sailed” in many of Sacramento’s annual Camellia Day and Christmas parades, and won several trophies. (In past years, Camellia Day parades were a big deal in Sacramento.) Also, the ship has been present at many Sacramento Scandinavian Festivals.

(Photo: Viking ship underway in a parade of some years ago, courtesy of Tove-Lise Miller.) (Also, we want to dispel the rumor that the name of the ship is “Puff.”)

ROALD AMUNDSEN LODGE'S VIKING SHIP TODAY

The accompanying photo shows the lodge's Viking Ship as it looks today (photo taken March 30 at the Scandinavian Festival). The photo also shows the ship's three current "deck officers," lodge members **Joe Hannon, Norm Hales, and Chris Wilson**. Joe has been in charge of the ship for a number of years. Norm recently repainted the entire vessel. Chris recently repainted the shields. It takes all three of these seamen to maneuver the ship when it is "underway" from its dock through metropolitan streets to its display berth. When not on display, the ship is dry-docked in a warehouse owned by lodge member **Leif Bjerke**. Leif's late uncle, **Erwin Bjerke**, was one of the crew that constructed the ship quite a few years ago.

Roald Amundsen Lodge 90th Anniversary Celebrated with a Grand Luncheon

A LITTLE SONS OF NORWAY AND ROALD AMUNDSEN LODGE HISTORY

On January 16th, 1895, 18 Norwegian immigrants in Minneapolis, Minn. came together and formed a new group whose goals were to protect its members and their families from the financial hardships experienced during times of sickness or death in the family. A noble purpose, to be sure, but over time the mission grew to also include the preservation of Norwegian heritage and culture. It was clear that our founders and earliest members were great leaders and, I believe, also men of great vision. (From a 2012 Sons of Norway blog)

Norwegian immigrants arrived in the Rancho Del Paso area, north of Sacramento, before the turn of the 20th Century. They were the forerunners of a hardy group of Norwegians, largely from the geographical area of Trondelag in the central part of Norway. The area's largest city was Trondheim, the first capital of Norway. They were to later form the nucleus of Roald Amundsen Lodge in Sacramento.

Knute Sanstad and his wife Aline, arrived in 1883, followed by family members, **Alfred, Einar and Haldis Sanstad**. Also arriving were **Karl Johnson and Marie M. Nielsen**. Other early pioneer members of the lodge arrived as follows: **Alfred Owre** in 1901, **Leif Owre** in 1903, **Otto Jorstad** and Paul Edward **Osterli** in 1904, **Mette and Olaf**

Winje and Ole Eid in 1911, and **Olaf Skauge** in 1914.

On February 18, 1919, a “Norway Club,” under the leadership of **Marie M. Nielsen, wife of Niels J. Nielsen**, was organized to bring together women of Norwegian ancestry. After a number of years, men were permitted membership in this exclusive club and on May 17, 1929, a group from Bjornson Lodge in Oakland came to organize a Sons of Norway lodge in Sacramento. Formal chartering was accomplished on May 19. The first organizational meeting was held in the Bethel Lutheran Church. This building was later purchased in March of 1960 and after being remodeled it served as the lodge home until 2001.

The lodge was named after **Roald Amundsen** (1872-1928), the noted Norwegian polar explorer, who was the first to reach the South Pole on December 14, 1911, where he planted a Norwegian flag. He also made the first ship voyage through the Northwest Passage and was one of the first to cross the Arctic by air. A few months before the lodge was chartered, Amundsen vanished June 18, 1928, flying in a rescue mission over the Barents Sea while in search of **Umberto Nobile**, the Italian who designed and piloted the airship “Norge.” Amundsen was 55 years old at the time he died.

The Roald Amundsen Lodge building, “Norway Hall” was sold in 2001 to the Roberts Family Foundation. The lodge currently meets at the Masonic Center in Citrus Heights.

IN MEMORIAM

Long time lodge member (68 years!) **Beatrice Lien** passed away on March 10th, 10 days short of 94 years old. A viewing was held March 18th and a member of the lodge was there to offer condolences to her son, Marvin Lien, and other members of her family. She was active in the lodge in her younger years.

SOME UPDATED SECURITY MEASURES

Linda Pederson, Fraternal Director for Sons of Norway, has advised us that on-line security measures require that each family member who is a member of Sons of Norway must have a separate email address, at least for Sons of Norway matters.

Also, officers and members are cautioned not to address emails to multiple recipients when sending out Sons of Norway matters to a group of persons. Additional addressees can be listed in the bcc address line to avoid showing their email addresses.

And finally, in general officers and members should be careful to guard the individual email addresses and other information of Sons of Norway members. (Officers, however, have to expect that their info is in the public domain.)

A WORD FROM OUR FINANCIAL BENEFITS COUNSELOR...

The Financial Consequences of Dying...

The expenses and loss of income associated with premature death are the main reason for buying life insurance as well as the major factor in determining the overall need for life insurance.

Premature death can be defined as the death of a working person with outstanding or unfulfilled financial obligations, such as family members to support, children to educate, and a mortgage to pay off. The cost of premature death includes the loss of income to the family, additional family expenses, possible decline in the family's standard of living, and non-economic costs, such as grief and the loss of a role model for the children.

The ownership of life insurance is economically justified for a family member who earns an income that others are dependent on for part or all of their financial support. The financial impact of premature death is not uniform for all families and varies depending on the family structure. When premature death occurs, the family's share of the deceased person's future earnings is lost forever. I would be happy to give you a financial review; give me a call 530-263-6565 or 530-470-6070.
